

You're Already Our Hero. Be Theirs.

C5 Georgia's Hero Sponsorship Program

C5 Georgia would like to invite you to help support a student during his or her journey through the five-year C5 Georgia program by donating the complete cost of ushering a teen from challenged to challenge-ready.

The greatest part? There are opportunities for you to engage the **C5 Georgia** class in which your **Hero Sponsorship** will support. This includes exchanging correspondences, receiving periodic updates, even attending student programs like camp or other, year-round activities. It's a unique way to witness how your sponsorship supports the transformation of a group of youth and allows them to meet the adult world well-prepared.

What's involved?

A commitment to donate \$3,000 per year for the next five years to support a student's full-year, five-year involvement in the C5 Georgia program.

A rewarding opportunity to connect with C5 Georgia students. It's optional, but all C5 Georgia Heroes are given the chance to be part of the evolution of middle school students into high-school graduates and well-rounded adults through correspondence administered through C5 Georgia.

Why get involved?

You want to truly, actively help change the odds for a promising Georgia teen. Your support offers students assurance that they are, without a doubt, supported in their challenging journey through school, into college and toward leadership beyond graduation.

It's not uncommon to hear friends say they're concerned about the "next generation" and what our society will look like under this new generation's rule. Becoming a C5 Georgia Hero restores one's confidence in the next generation by working with students and getting the opportunity to see them grow into thoughtful, mindful, intentional and generous adults.
