MEDALLION PROJECT PRESENTATION

CONGRATULATIONS ON COMPLETING YOUR MEDALLION PROJECT

This is your FINAL C5 Georgia Step before graduation. Now, all that is left is to **TELL US ABOUT IT!**

The Medallion Project Presentation:

- Serves as official documentation of your completed Medallion Project
- Is an opportunity for you to “brag” about the AMAZING initiatives you brought to your school, community and/or the world
- Gives us the ability to share and highlight your efforts with the C5 Community and beyond
- Inspires the next class of Medallions

Your project may have changed since your initial Medallion Project proposal; this is the opportunity to explain what you did in the end.
