

# VOLUNTEER OPPORTUNITY

## Mentor Me North Georgia

### Mentoring After School (MAS) Program

NOW taking volunteer applications for the 2021-2022 school year.

- Volunteers needed to work one-on-one with elementary aged students to improve reading, writing, and math skills after school.
- Assist students with homework, work on science projects, play games together and build a relationship with our youth.
- Commitment: One hour per week at one of our locations during the school year.
- Mentor Me staff provides training, coaching and supervision at each session.
- Earn volunteer service credit hours for college applications.
