SUMMER PROGRAMMING

CAMP ADAHI

Flint Year - Leading Myself

Camp Leadership University (Part 1)

Youth attended camp for a 4-week session where they learned and practiced fundamental leadership skills, built friendships, and challenged themselves in a positive, supportive environment.

Lantern Year- Leading Others

Camp Leadership University (Part 2)

Youth returned to camp & continued to learn and practice leadership skills. The second summer emphasized greater challenges and expanded leadership responsibilities within the C5 Community.

Hammer Year - Expanding My Horizons

Bridges Leadership Challenge

Youth spent their third summer experiencing a week at camp before traveling for a 10 day backpacking and adventuring trip. Leadership skills learned during prior years were applied to real challenges.

ACT NOW! SUMMIT

The ACT Now! Summit takes place each year on Emory University's campus and is focused on a community issue that the rising Medallions have selected and worked on throughout their Compass year.

This year's focus was on the Inequalities in the Quality of Education.

ROAD TO COLLEGE

**Compasses were on the road
looking at their future!**

This year's Road To College was like time travel as the Compasses walked the campuses of Savannah College of Art & Design, Duke University, University of North Carolina, North Carolina Agricultural & Technical University, University of South Carolina, and South Carolina State University.

CHARACTER-DRIVEN | COMMUNITY-FOCUSED | CHALLENGE-READY | COLLEGE-BOUND | COMMITTED TO A BETTER FUTURE

Our Mission: Change the odds of success for high potential teens from under-resourced communities by inspiring them to pursue personal success while preparing them for leadership roles in college, work, and their communities.

Your teen is taking an exciting journey with C5 Georgia. With your support, our program can help prepare your teen for leadership roles in college, work, and their communities. As always, we invited parents to volunteer at pathways, events, and beyond.

As a sign of each family's commitment to our program, we require a modest fee of \$60 for each student. You can make the annual payment in full or through monthly increments of at least \$5 by cash or check.

To learn more or make a payment, visit c5georgia.org.
